Nice flat with mood lighting.

The Lady:

Looked quite old; maybe in her 40s. Messed up teeth. Not very attractive at all. Very smily and friendly but didn't do it for me.

The Story:

Offered to take my clothes off. She got naked and lay on the bed. Gave me a massage and then started rubbing oil on me. Then offered to suck my dick (I think this would have been OWO) but I declined as I'd probably just blow my load right then. She lay down on the bed after a few thrusts I came. She was so tight and it was just too much for me. She then gave me a massage for about 10 more minutes and we said our goodbyes. Looked at the time and realised I'd been kicked out after 20 minutes, yet I paid for 30!

All in all she wasn't that bad but was really unattractive.
