Petite, slim but very busty

### The Story:

I've been aware of the Gallery for some time, but had never ventured to Cadishead before.

I'd noticed the description of Bianca on the website (no photos), saying she had 30HH boobs on a size 6 frame. The mind boggled - either this was parlour exaggeration or we could have a phenomenon on the scene. I'm delighted to report Bianca is a phenomenon.

Bianca is black and petite, only 5ft, with a pretty face and very slim legs - it's a wonder they support the heavy (and completely natural) load up above. Her arse is fantastic too, in the way so many black girls arses are. Not large, but a great shape that wiggles when she wants it to. She was wearing heels and black stockings. I'd booked for an hour so we had the excellent Gold room, which included a superb shower and jacuzzi.

Bianca started with a very good back massage, then moved to fellatio (covered - she didn't offer me an alternative), which was well executed. I wanted to return the compliment and she enjoyed receiving oral, which she refers to as speaking with tongues. Then she sat on top of me, a lovely tight snatch on my stiff prick as those magnificent breasts bounced around impressively. We moved to doggy, which was an awesome sight in the mirror as her tits slapped against each other - quite a noise emanating from them. I nearly came, so we moved to mish where I couldn't hold back and ejaculated soon afterwards.

We'd been together a good while, but then Bianca joined me for a lovely session in the Jacuzzi where we chatted, fondled and snogged each other. She moved onto a lovely soapy tit wank ? she knows how to use those boobies and she uses them very well. I came again and it was lovely ? generous, gratifying pleasure from a wonderful girl. I was so delighted I left her a handy tip on top of

the ?120 fee for the hour. It was the punting equivalent of an excellent meal in a top notch restaurant with wonderful service.
