The Story:

Absolute, complete and utter waste of time and a ripoff. Agreed on phone ?70 2-girl special. Both not bad looking girls, but that is not the point here. The special allegedly involves OWO from both. In fact that was not the case. Both of them giggling like retards and unable to even feign interest so I stood up and left after five minutes. I'd have sooner set fire to the money than give it to these two, and I left furious and wishing I could shut the place down. Been there before to see Dion, who is excellent. These two morons need to get a new line of work. AVOID LIKE THE PLAGUE.
