The Premises:

This is the second MKE venue I have visited - less discreet than the first flat but more spacious inside. Clean, with welcoming decor. Shower was on a different floor so I had to do the "staircase dash" but then I'm pretty new to all this!

The Lady:

Katie is very slim and attractive - I was a little worried the night before the booking as her portfolio pictures had her with long hair as opposed to the shorter style I had liked when I first checked the gallery, but on arrival I was back at ease - she has lovely hair which falls to just above her shoulders.

The Story:

Katie was very complimentary about my techniques (ego massage never hurts in my book!) and she was very keen to ensure I enjoyed myself as much as I could. We talked throughout the experience and I definitely felt looked after. I'm not about the orgasm, I much prefer to pleasure the ladies - but Katie was fine with all I asked of her and even got me to the finish line (which I hadn't intended to!).

She is very soft and gentle (and I'm all about the touchy-feely), and she kisses very well but no FK on this occasion. She was very happy to have her neck kissed and her breasts felt, and seemed to enjoy my RO.

A great afternoon's entertainment, and I'd be pleased to see Katie again. I generally go for bigger built ladies, but I thought I'd try something different and I'm glad I did! Thank you, Katie.
