The Premises:

She operates from an Hotel (part of a large chain) in Central Hemel Hempstead. Very discrete. Her room at the Hotel was adequate for its purpose and had a large double bed and shower facilities. I felt very safe

The Lady:

Very pretty lady, quite small with long dark hair. Age I would estimate late 20's - early 30's. Lovely figure with beautifully shaped boobs. Dressed in very nice, sexy underwear.

The Story:

My first visit and she went out of her way to make me feel welcome. Had a lovely smile which never left her face. We discussed her likes and dislikes. Doesn't like CIM or A but everything else was available. She obviously enjoys her work (if not she is a very good actress). Her OWO was very good and she seemed to enjoy my RO. Enjoyed myself so the time just flew but she was in no hurry to kick me out. In point of fact I had to instigate my departure after at least 1 hour and ten minutes. She certainly is no clock watcher. She really is a lovely person who needs to be treated with respect. She likes the gentle touch rather than rough sex; o.k. by me. Have seen her again - even better the second time.
