The Story:

I've got to say firstly than I'm new to the escorting scene and only seen a couple of girls. These have had good FR, but the quality of the GFE with Stephanie was far superior to anything I've had with the other girls and soon put paid to my nerves. All I can say is if you are looking for a good time, with good conversation and laughs and not forgetting great sex, take my advice and see Stephanie. Hopefully the best comment I can make to Stephanie is that after meeting her I was planning my next visit.
