The Lady:

About 5.10 but am not a good judge of height being such a short arse. Large breasts that were irresistible. Brown hair and a gorgeous smile and that was before we began. She wore jewelry on her clit which was a new experience for me and i have to say a nice one.

The Story:

Began with a cuddle which is good when it breaks the ice. I quickly explained my love of RO and Paige was very happy to oblige me and she did. As said before had never encountered jewelry before down there and loved it. After 2 brilliant climaxes which she told me she genuinely hadn't expected we lay down and gently chatted till time was up. Promise you longer next time Paige and yes there will be a next time.
