### The Premises:

Very good flat, shared with another girl

### The Lady:

Super. She is attractive rather than stunning, but knows how to make the best of herself and looked very hot in a tight white dress and high heels

### The Story:

Very good. No one is perfect (except Pam of 90 minutes), but if you want to screw a good looking intelligent young girl who tries to please then Lexi is for you. Good OWO, and responds to encouragement.
