The Premises:

Same place as my FR 98216 for Keisha

The Lady:

Completely different girl from the Keisha in FR 98216. Dark haired, quite large and plain.

The Story:

It looks as though the original Keisha is no longer working here or is on holiday, but the same advert and telephone number are being used by a different girl. My original FR does NOT apply to the current girl who is nothing like as pretty and needless to say bears no resemblance whatever to the picture on her profile page for "Lovely Keisha". Lovely she ain't ;-(
