### The Premises:

In centre of Woking. Not difficult to find with instructions from female reservation agent who obviously is somewhere else other than Woking. Busy commercial / retail area with lots of pedestrian traffic and quality public parking close by is a big plus and did not cause me any concern for security or appearing out of place. Only saw the entrance to a 2 bedroom apartment which is very sparsely furnished and not decorated. Bedroom I was ushered into for very was clean with large double bed and side table. No chairs and music is on the floor. Very basic, clean - don't need anything else.

### The Lady:

As per her pics and description provided on the other field reports and links to her agency.....she is beautiful there and beautiful in person. Enhanced breasts with great nipples of which she is justifiably proud. Shaved pussy that is great, and a clit that is responsive. Very pretty woman (in person) with a winning smile and spirit of service. Very short (5' or just a bit taller without shoes). Does have relatively tasteful tattoos on her back only.

### The Story:

Mei warmed me up and made me feel right at home. She lets her hands wander (by design) while keeping great eye contact. Extremely concerned about what I wanted. Very soft approach (did ask if she had a hard, slutty side to her) which suited me fine. Super DFK and OWO. Indeed, she is without question one of the best at OWO and she performed her magic for well over 10 mins. Same time I am engaged with her in true 69. Coming up for air, instinctively she plays with herself while still performing OWO.....I thought I'd died and gone to heaven.

Mei knew when to go to the condom and she rode me for good 10 mins. Outstanding. I told her I wanted the french letter removed to have her BBBJ again to climax. Great finish. Great amount of spunk..I loved it. Great VFM. Not a clock watcher, we cuddled and then it was time to go. Visiting from overseas, I told her that whenever I return (2 - 3 times per year), I will look her up. Super does not describe how great it was.
