The Premises:

Debbies - enough said already I think.

The Lady:

Mandy is a stunner. Quite a tall girl I reckon about five feet 8, long blonde hair, slim, very pretty with small to medium sized breasts.

The Story:

I haven't been to Debbies that much as up till now its always been a bit of pain, train wise. But with the advent of the London Overground service to Anerley, I decided it was high time for a visit. I was there on the hottest day of the year, but it was pleasantly cool inside.

I went for the house special of ?70, so we started off with the shower.

Ostensibly with this you are paying I think the extra ?10 for a shower (maybe extra time as well) but I do find it very erotic so was happy to pay, and of course nice to know you are squeaky clean.

And yes this was very horny with Mandy. Back in the room, we then got down to playing. This was just a fantastic session. I would class this as being like a new GFE. We gently explored each others bodies, I gave Mandy some oral and then she returned the favour. We did kissing and plenty of touching before I asked her to get on top of me. She did a great job of riding me until it became uncomfortable, and it was excellent getting the full view of her body, as I am a great fan of small to medium sized breasts.

Then I took Mandy from behind which was superb (she looked great with her long blonde hair tossing around). She made some very appreciative noises while I worked up to a shuddering climax.

A lovely girl and a lovely time. And as ever you are made to feel very welcome at Debbies. I will return again there, and of course I would love to see Mandy again.
