The Story:

believe what this other guy says she can talk and talk and talk no owo not even ow.very unenthusiastic she looks stunning in her lingerie but you will regret seeing this one which is a shame cause she probably has the potential but just seems all too keen to take your money and give (very)little in return.what got me the most is that she hadnt worked for 3 days and i was her first punt of the day and the bed was stained and dirty and it wasnt stained with red wine if you get me drift
