### The Premises:

Lady came to my place.

### The Lady:

Absolutely gorgeous.. Lovely long curly blonde hair, great real firm round breasts, curvacious bottom, juicy pussy and the most amazing legs...

### The Story:

I was recommended this agency by a friend and I can tell you 90 mins wasn't long enough... As soon as this Bulgarian babe arrived I was speechless got formalities out of the way... And the rest... well I rather not say as I would like to keep this lady for me :) However be a fool not experience time with Maggie.

Already working out when to meet this lady again.
