The Premises:

Ground floor flat in a council block. Clean and fit for purpose. Quite difficult to park until after 17:30.

The Lady:

Polish girl in her late twenties. Very slim body, bottom and legs but with massive 36GG natural breasts. Friendly and obliging. The flat is shared with other Polish working girls. Special services such as "A" levels are available for extra fees.

The Story:

I was lured to Sophies flat by the promise of her amazing breasts, which did not disappoint, but the whole encounter was rather clinical; I wish I had only paid for 30 minutes. All in all not one of my most fulfilling encounters.
