The Premises:

Very smart flat in Mayfair, sparsely decorated but totally safe. Bed very small.

The Lady:

Jessie is much like her pics, perhaps not quite as pretty but certainly good looking and with a lovely lithe little body.

The Story:

Asked what I liked - told her love kissing and oral, she advised she doesnt like fingers in pussy or bum which was a bit of a downer as I love fingering a wet pussy.

Anyway, she invited me to lie down and kissing amounted to a couple of pecks on lips before she got down to what started as very light oral before building up the rythmm and deep throating. Make good use of tongue stud too. As she crouched to suck me I managed to get my fingers inside her knickers, feeling a very wet and slippery pussy. Again, pity no longers or tongue allowed.

Finished with aplomb, swallowing most of it but gets a couple of bad marks for sitting up while I was still in the last throes.

Still, a very cute girl, fab body but worth a punt. Unlikely to return though on basis of the lack of fingering.
