The Story:

Seen Dee a few times now but today I was determined to enjoy myself and I did. Had shower then Dee joined me in room. I lay face down as usual while she slipped her dress off to be totally naked. Gave me a nice massage with plenty of oil. She then oiled her nice firm breasts and rubbed them all over my back and arse. Feels really horny as the old todger starts springing to life. Both moaning I turn over with a huge hard on. She applies the condom turns round so I can lick her lovely sweet tasting pussy and arsehole while she sucks me. Time for sex! She automatically gets into my fave position, on the edge of the bed with her legs in the air, beautiful sight!! I slide my by now rock hard aching cock slowly into her feeling her quite tight pussy taking every inch. To cut a long story short I absolutely pounded her for what seemed like ages, Dee taking every thrust and looking straight into my eyes, horny!! I licked and sucked her lovely feet working up to a frenzy. She even remembered how I like my feet touched and rubbed as I shot my massive load into her. Fantastic! Great lady, friendly, puts you at ease and knows how to take a good slamming. Wonderfull. I will be back!!!!
