The Story:

This was the first of 3 visits over 2 days - 1 hour was just not enough for this lady. Helen is a beautiful, funny, open minded and easy going person who really wants to please. Great company, with a brilliant smile and that touch of sexual energy she is a real flirt. We had a very enjoyable time together but a gentleman never tells the intimate details. Suffice to say we kissed and cuddled, play-wrestled around the bed and experimented in many areas. Helen made me feel right at home in ways girl friends of the past have never achieved. This is one 5* lady who should be treated with the highest respect. Helen - thank you, I had a great time (as you know) and i cant wait to see you again in a couple of weeks!
