### The Premises:

Flat in high rise block, had to park nearby and call her to be buzzed in, wasn't entirely comfortable in the lift with 'the locals'.

### The Lady:

Petite 35 year old chinese lady with 34B not the best looking but certainly not unattractive.

### The Story:

Was greeted by SanSan at the door at led into bedroom.

Agreed price of ?70 which was 60 for 30 mins + 10 for facial.

Got on bed for a sensual massage which was very good.

After turning me over she wiped me over including my bum and started OWO on the old fella whilst offering prostate massage (I didn't ask but it was fun).

This went on for a few minutes as I was really enjoying it, was getting close so said I wanted to give her the facial.

SanSan lay on bed and covered her eyes with her hands whilst I cum on her face before she then cleaned herself and myself up.

Very enjoyable, would have liked a shag as well but the oral/massage was too good!
