The Premises:

a terraced house near the city centre, which she is using temporarily. Today was the first day & there were teething problems - including not having any bedding! Parking on this street is limited as a cul-de-sac

The Lady:

A young, pretty BBW with lovely long blonde hair. Carly is about dress size 18-20, has nice big breasts, and a lovely round bottom.

The Story:

Carly welcomed me wearing a pink slip by giving me a kiss. She has a nice personality and is able to hold a conversation. Once we got down to it she gave a very gentle BBBJ which was nice, and she was happy to take her time. Reverse oral was nice for both of us, and after that more oral from Carly - which was again unrushed. Sex was good & I believe she enjoyed herself too. All in all a good punt & well worth a return visit.
