The Premises:

Same Burton town centre apartment I've visited before. Clean and safe, easy parking, 5 mins from A38.

The Lady:

So good my brain turned to mush and I forgot the name!

Tall (170cm+), Chinese. Well built. Not skinny without in any sense being fat. A real turn on for me. Touted as 19 but Mid 20's I guess. Excellent English. I'd guess a student looking to make ends meet over the summer vacation.

The Story:

An 'occasional' rather than hard core pro. Best I've had at this place and superb value for ?50.

Tall chinese really do it for me. Standard service, Oral (with) followed by sex in multiple positions. Didn't ask about OWO, some do, some don't at this place. Enthusiastic and really seemed to be getting into things without any 'darling' or fake moaning. Good conversation without time wasting. Really hit the spot for me so finished in good time but still got the full 30 minutes. Excellent.
