The Lady:

i saw the ad of this lady on another popular site, and it had 2 positive feedbacks, what i got was a 30 year old chinese lady, nothing compared to the pictures, totally different. not my type

The Story:

i travelled 30 miles to see this japanese star, this is her name on popular website.

i would have walked away when i saw her but i felt trapped, because they make you park in a secure place with gates and pin number.

the guy came to pick me up and he was flapping, i should of walked off, soon as i got in the room, the lady was ugly, short black hair, chubby face, and very skinny, no ass, and dirty teeth.

i stuck with 60 pounds for half hour, i did not want to have sex and asked for body massage to which she replied, okay okay, and did not understand anything, i asked for oral without and she said big money, very big money, i said how much and she said 50 pounds, bloody scammer. she saw my notes come out of my wallet and got greedy when on her website it says all services.

basically i gave up and asked her to wank me off, and even that was done in a hurry. dressed and left asap.

avoid this lying scammer, typical chinese that are after your money, the service you will get is crap.

if you dont believe me, then go urself, and be ripped off.

just thinking about it now makes me burn with anger.

she has got some one to leave her 2 positive feedbacks on her site.
