The Premises:

First & second floor maisonette over a kebab shop in the one-way system. Door bell was not working, you have to knock loudly and the stairs are very decrepit and steep. However once upstairs the bedrooms are clean and fit for purpose. Near to New Cross Gate station and on bus routes. Free parking in the side streets opposite.

The Lady:

I had a choice from four girls paraded into the bedroom, three black and one white. I chose Crystal as she seemed reasonably buxom and had a pleasant smiling demeanour.

The Story:

A good value session with a friendly and willing girl. Once undressed her bust was not as big as her bra had presented them, but she did have nice african booty! A little foreplay followed by sex in two positions, excellent value!
