### The Premises:

First & second floor maisonette over a kebab shop in the one-way system. Door bell was not working, you have to knock loudly and the stairs are very decrepit and steep. However once upstairs the bedrooms are clean and fit for purpose. Near to New Cross Gate station and on bus routes. Free parking in the side streets opposite.

### The Lady:

Today I chose the white girl, Lucy from the Czech republic, who I had avoided before because she had looked a little too well built, but once she had stripped she was actually just nicely voluptuous, with a lovely curvaceous and spankable posterior.

### The Story:

Another good session, even better than my time last week with Crystal. Lucy was very accomodating even to the extent of allowing me to smack her lovely posterior and leaving red hand/finger marks!. At the end I pumped away in doggy to a very satisfying climax.
