Her flat was ok, it was a bit difficult to find a parking but Fulham is always like that.

The Lady:

This girl is quite nice and pretty, I can confirm that the pictures are accurate.

The Story:

Tha first thing i liked about her was the smile. She seemed to be comfortable with me and we got along well, better than i hoped. I would say that, she was kind and pleasant even if the range of services on offer is a bit limited. I can say that while we were having sex she was very good, i had a nice relaxing hour of fun with her and that was enough for me.
