The Premises:

Private flat above a shop in the high street near to the Pawleyne Arms, Clean and pleasantly furnished, I commented on the atmosphere of her boudoir!

The Lady:

Black woman in her 30's. Looks slightly older but also more attractive than her pictures on Ace massage. Somewhere between slim and voluptuous in build. Friendly and outgoing nature.

The Story:

A reasonably good and unrushed session. However she answered her mobile in the middle of the foreplay and then was on the phone for a good 5 to 10 minutes in a mixture of English and Patwa. This really broke up the session and allowed my pecker to deflate somewhat. We then had sex in a couple of positions finishing in doggy. No rush at the end. She then left the flat with me, apparently to wire some money to the person on the phone.
