The Premises:

Fit for purpose flat above a shop on a main road. Plenty of free parking in nearby side roads. On bus routes, but don't ask me which ones; I don't do buses! This establishment has moved from Eltham and has another branch in Greenwich.

The Lady:

Polish woman in her mid 30's. My initial impression was that she was carrying a bit too much weight, but when she was kneeling in doggy she exhibited the classic slim waist spreading out into the most gorgeous curvaceous posterior! Very friendly and relaxed manner. She even commented how relaxed I made her feel, well I did too which allowed me a nice long build up to my climax!

The Story:

Adequate foreplay followed by good covered "O" levels from Alexandra. Sex first with Alexandra on top and then doggy with her kneeling on the edge of the bed. One of my best and most enjoyable climaxes in a long time. No rush then as she took her time cleaning me up.
