very beautiful oriental girl

The Story:

I've been to see this girl many times but no more. She's had some sort of health scare I think, not sure of the details, and the last two times CIM is most definitely off the menu (something she used to be really good at) and she's become pathological about hygiene, cleaning and scrubbing your penis to within an inch of its life. Sorry but I think her time as an escort has run its natural course.
