The Lady:

I had a choice of 6 Stunning ladies, they were all drop dead gorgeous, why is it I just wanted a good old fashion fuck and I have to select from these meals on wheels they were absolutely stunning, what a choice.

The Story:

I selected Keya, I thought she looked Brazilian, lovely looking lady. the fucking arse on her was pert and lovely, her tits were not the biggest I have ever come across, but once you got your laughing gear around them they were like bullets. I selected her, very hard decision, any way after getting to know her, she told me she came from Nottingham, no matter, she gave me the best head I have ever had in my life, it was skilled, I then fucked her cowboy
her pussy was dripping wet, and she was enjoying it, she told me she loves fucking, and her performance showed she did, what a fuck.

So Guys, if U are ever in Bournemouth, go to Vixens for the Fuck of your life, I am going back Tomorrow
