The Premises:

A fantastic location in a good part of town with good transport links, parking and now a Cycle Hire docking station down the street! (Not for me.)

There is a reception (Holding Pen) with a fantastic receptionist and the room was clean if a bit small.

The Lady:

Kitty is tall, especially in heels, and has a wonderful body. Soft, delicious, beautiful breasts, bottom and legs. In fact, beautiful in every way. Plus, she has a great sense of humour and a super voice.

The Story:

I was able to get an hour slot and had to make do with 45 mins. However, the receptionist was so good at her job and was able to find me this slot. (A bit late starting as Kitty was getting ready.) I am glad she did find me the time as Kitty is a wonderful find.

Having spent this time with Kitty (Truly great with all sorts of activity - she was just a joy to be with and very, very sexy.) I know there is more this lady can offer and I can't wait to return for a longer meeting. I'd love to come over her breasts and taste her again... not to mention her ability to "look after" me. WOW!

I was disappointed not to take a shower with her at the end but time was tight. Next time I'll ask her to wear black to match her hair.

This lady is an intelligent angel with a superb attitude and passion for making her clients feel good. I hope to make her feel good too.

Thanks Kitty.
