The Lady:

Photos on the website are heavily photoshopped, as is the norm, but Jessie is nonetheless a good looking girl with a tremendous set with great nipples.

The Story:

A very nice half hour punt spent with a lovely girl who did the utmost to put me at my ease and ensure that I had a good time. This is the way that these thing should go but unfortunately don't always.

After dealing with the financials and a much needed quick shower (muggy day outside), Jessie started with a nice and quite proficient back and bum massage. Then I flipped over, she got her kit off, and proceeded to go to work on the bits that matter. Suggestions were immediately implemented so I soon had my tongue buried deep in her sweet smelling snatch. Had to ask her to ease off at this stage to prolong the fun. Then I had intended to bonk in various positions but made the mistake of starting in cowgirl and the sight of those lovely breasts swinging free above me, soon had me teetering on the edge and then with final deep thrust, over.

She has a good sense of humour and made me laugh when I moaned about it being over too quickly, replying 'You should have had a wank before coming'. Hahaha.

No clock watcher this lady, I'm sure that we ran over by a few minutes. But next time it has to be a longer appointment if I can afford it!
