### The Premises:

Bedsit style 2 room setup in a leafy suburb. Ample parking on nearby roads. Spotless with clean towels. Bathroom facilities could be improved (en suite perhaps ?) but this is reflected in the slightly lower price for this area.

### The Lady:

Strikingly pretty tall slim European blonde with long legs and a perfect figure and the website description did not disappoint.

### The Story:

Greeted warmly on arrival and guided to the room to get ready. I always shower before leaving home as a courtesy, as the bathroom is a shared facility with the other room, would be concerned that another visitor may try and use it at the same time.

Vanessa is pleasant company and responded enthusiastically to my attentions. A recommended visit but sadly she will be leaving the UK for a long summer break. Look forward to her return !
