The Story:

Mia is slim girl with black hair and very friendly and lovely girl. She has some tattoos that I like and very sexy.

Quiet and passive and submissive girl. Her photos in the web site are of hers

You can imagine Mia as a girl who educated in convent school and she was suppressed sex knowledge and she has very high sex drive.

Now you can imagine how that deadly combination can be.

Mia is submissive type of girl, so everything have to be initiated by you to get things going, otherwise, she wait for next move from you.

Hugs and cuddles, French kissing, OWO, reverse oral, reverse rimming and massage and 69. All these activities you have initiate and she follows

OWO is very basic but she tried the best (may be the lack of knowledge of giving oral)

Reverse rimming she likes it and also she felt bit dirty, but she wants it more and she wants that dirty sexy fun. so it was very enjoyable to watch her struggling with all sort of emotions and enjoying same time with sexy noises and curly wurly body moves

Reverse oral was fabulous and I spend most of the time on eating her pussy every way as possible and she hold my head by her both hand between her leg to make sure I do it more and more and more. She had many orgasms and multiple orgasms and lots of juices flowing everywhere and one finger and two finger and three finger and four finger and keep going and going and going and more and more orgasms and more and she was making sexy moans and sexy noises and curly wurly sexy body moves and more orgasms etc etc...like non stop firework keep going with lots of colourful

banks and my jaw was in pain and my neck was in pain my back was in pain. Mia is sexually very active girl and she seems like love sexual fun, but when you see her at first time, you will never think that this girl has very high sex drive. She is very passive and quiet, but if you press right button then she come to live with sexual explosion. it was very hot in the room and we both were covered in sweat and at the end I gave her a nice soft massage to cool her down.

At the end I managed to crawl back to the station to come home to have nice hot bath to sooth my pleasure pains. But I will be back for more fun

It is advisable to talk to Mia regarding what she does do and what she doesn't do beforehand, because, the advert seems to be misleading.

Seems like the business that manage the Flat and the girls uses the same advert template for all the girls by changing photos and phone numbers and names and leave out the rest

Mia said that she will be in London for another one week and she will have a break for two weeks and come back in two weeks.

if you want more details, then email me

If you like submissive and passive type of girls then I highly recommend Mia for wonderful sexy time
