The Premises:

Same house as per my FR for Moniq (FR 98820). Anonymous terraced house in an anonymous quiet street about 10 mins walk from the station. Small but quiet room. Good shower. Scruffy but reasonably safe area.

The Lady:

About 5'5", slim and pretty with an elfin face, small pert breasts, dark hair and lovely blue eyes. 19 y.o. Discreet tattoo on her thigh, piercings on her tummy button. The photos on her web page are accurate but unflattering. She is prettier in real life.

The Story:

Delightful girl. A real GF experience. Alicia is yet another cute Hungarian girl here for the summer to make some money before going home to study in the autumn. She's has been here about 2 weeks and is staying until late August. Almost no English but full of smiles. Very enthusiastic in bed with passionate deep french kissing. Basic price is ?80 for one hour, though I paid extra for various additional services and also gave her a ?20 tip. A really enjoyable experience with a seemingly happy girl who gave a genuine impression of enjoying herself. Sometimes I come away from a punt feeling a bit sordid and down about life. But today I came away with a smile. It's still there many hours later as I write this.
