### The Premises:

Through the blue double doors, hit intercom, then hit the "Press me " button for the lift after the receptionist has looked you over.....up you go!

### The Lady:

Tall, elegant, small framed, chic hair style, dark brown pools of chocolate for eyes....great smile. Exotic Italian/Caribbean origins.

### The Story:

Was introduced by the receptionist, her smile gave her away.

Into the room, said she loved my accent, we hit it off, was up front about the additional services, I said I'd wait and see.

I was in a good mood, and so was Casey, she knelt beside me on the bed, kissed me sweetly, she smiled and laughed gently, passed some nice comments, her lips met mine again, we then snogged.....GOD!

What a snogger...it went and on.....I was harder than a diamond tipped drill bit.....fabulous.

I asked to go down on her, she tasted divine, I licked her clit for some minutes then tongued her pussy hole, then maybe gave her a gentle orgasm....:)

She knelt on the bed, I knelt too, then continued a 10 minute snog of the most erotic, horny and fulfilling type whilst I jerked off, came all over her legs, come everywhere.....simply fabulous!

One of the most intense, erotic experiences of my punting life.

Why? She hadn't touched my cock once, I hadn't touched her pussy, except with my tongue.....wow...wow...wow!

Utterly divine!
