The receptionist opens both the door and the gate at the entrance and then passing through your in the lounge the Parlour is clean and the rooms are clean and spacious with showers in the corner and 4 postr beds with clean linnen.

The receptionist was friendly and offered me a cup of tea and made me feel welcome and relaxed.

The Lady:

There was two girl working but only one had shown and the other was on her way so i was told, so i chose rosie a mixed race chinese thai lady with red hair short in stature and dressed in nice underwear pleasant and definately up for a oriental challange not my usual type of girl but ok attractive and chatty and pleasant

The Story:

down to the business and up to the room, opted for oral and a massage followed by hand relief to completion and rosie told me she was not up for reverse oral until next time as she likes to get to know a client before she allows this on her

so i did not push it just did the business got the happy ending paid and left after another brew and a perv at the other girl who had arrived by now she was a stunner maybe nxt time happy punting guys
