The Story:

Sinita, showed me to the room went through prices I opted for 30min girlfriend experience. She left the room twice a bit annoying, She did not make me feel relaxed and was clearly a bit tense herself. Kissing was on lips only, and kept moving away. Kept clock watching not a good girlfriend experience at all. Also a lot of "I dont dont do this dont do that" Finally, wanted an extra ?10 for come in mouth, which was like playing basketball or darts moved away at the last moment claimed I hit her in face with my hand, I dont think so she just didnt want to do it but wanted the extra ?10.00. Not a good experience at all
