The Premises:

Clean house in an upmarket area, it felt safe and quiet and there were no nosey neighbours.

The Lady:

About 5'4", around 32 years old, straight, natural, dark blonde hair, large natural breasts, I would guess a 36EE. Sara told me she keeps fit and I could tell by her body shape and the fact that she is quite slim and toned. Nicely trimmed down below.

The Story:

We started off with a medium massage which really got me going, especially when Sara told me that she hadn't felt a hard cock in her mouth since the morning. I turned over and she straddled me and offered me her breasts to play with. I sucked and licked them until her nipples were huge, rock hard and glistening. Sara then put the condom on me and slowly took me deep in to her silky mouth whilst looking straight at me. This was heaven and after a few minutes I asked her to stop otherwise I would have shot my load there and then. Sara laid back and spread her legs wide open for me and I got on top of her and slid my cock in to her sopping wet pussy. She was very tight and very wet so I didn't waste any time and I pounded her with great passion and I felt that the bed was going to go through the wall the way it was banging against it. I was really worked up now and I pounded away really hard with Sara telling me "fuck harder" and "cum inside me". I came after about 15 minutes of rough, hard sex and I do believe Sara also climaxed through penetrative sex, which is rare in my experience. For the rest of the hour, we talked, Sara told me quite a bit about herself and then with 10 minutes remaining I decided I was ready again for round 2. Sara gave me more of that heavenly oral and although we over-ran by about 5 minutes, she wanted to empty my balls and that she did! I thanked Sara for a wonderful time and told her I would be seeing her again - in fact I think I might give her a call now! :)
