### The Premises:

It's always clean. They're temporarily in Morden but aiming to get a place in Cheam once more. There were a couple of youths loitering on the other side of the road which had me wondering but other than that I felt safe. Safer feeling than when I first visited the Cheam place, that's for sure.

### The Lady:

7/10. Enhanced tits. Slim. About 5'7" I reckon. Says she's 27 but she actually looks younger. Can't say she's pretty but definitely not ugly. Sort of ordinary but her personality is what makes her. Very feisty.

### The Story:

Of the 4 ladies I've seen at this place Jaime was NOT the worst. Killed the mood when she said she needed to take a piss 5 mins in, just as I was getting into it. After I came she disappeared again to smoke. I enjoyed it in parts. The hugging and stuff but where one of her colleagues seems to read me like a book, this session was a little awkward. Like all girls here Jaime was aiming to please but on reflection this was not the best time I've had....but I suspect I'm expecting too much. Nice girl, just not for me.
