### The Premises:

Ok flat in new block. Awful bed - felt like crates underneath! Very difficult to find. iPhone map couldn't locate it. Ended up asking locals for directions. Room was too hot - stifling!

### The Lady:

Young, slim, gorgeous eyes, skin much darker than photos suggest. Teeth not like photos. Tattoos on belly not shown in photo. The photos are awesome & a tribute to great Photoshop work. She is pretty but not as good as pics on the website.

### The Story:

She was in a hurry for me to pop. The room was very hot - like a sauna. She was ok with fingers though 3 was too many apparently and she used eye contact during bj which was good. Once I popped she lit up a cigarette - how do I explain smoke on my clothes?!
