The Premises:

Rachels operates from her nice clean apartment in the Sth Park/St Catherines area of the city, easy to find with good safe parking.

Due to family commitments Rachel only works on a Thursday so unfortunately not available every day, do keep this in mind when planning

basically if you need to be in Lincoln make damn sure its a Thursday!!

The Lady:

Rachel is short, around 5'2" and i must say of late i do have a passion for the shorter lady she is perfectly proportioned with lovely cute boobs and a sexy ass, that i would say is among the best ive ever laid eyes on, she has shapely legs too, a real turn on for me at least.

Rachel is chatty, witty and clearly intelligent, but what impressed me most was the way she put me at ease from the get go and left me feeling as if i had known her for a lifetime

The Story:

From the first peck on the cheek to the last passionate kiss, my time in Rachel's company was nothing short of awesome, i experienced passionate sex that we both appeared to enjoy to the full.

Rachel doesnt do some of the more diverse stuff like alot of other girls do, so if A or OWO is your bag, then look elsewhere, what she does do is attend to you in a more personal way, leaving you feeling like you have met someone really special. She has a delicate touch that makes you body tingle from within.....awesome.

I felt like she was mine and mine alone, which is a rare thing among most working girls, and for sure i will return, hopefully next Thursday.

We ran a little over time too, mainly because we were chatting like old friends at the end, she is good fun, and great to spend time with.
