### The Premises:

A very "up-market" ground floor flat in one of the best roads in London. Parking outside is free on the pay and display spaces, after 18.30. A safe approach to the flat, and not overlooked.

### The Lady:

As for the photographs on her web-site. She must be quite a site with heels on.

### The Story:

The warmth of Chloe's personality shone through during this meeting. She gives very unusual oral, her speciality so she says. A most enjoyable meeting after doing lots of research on her Punternet message book postings.
