### The Premises:

A very "up market" ground floor flat in one of the best roads in London. Free parking on the pay and display after 18.30. Very safe approach to the flat, not overlooked.

### The Lady:

Exactly as it said on the tin. In Tammy's case her recent photos are a very accurate portrayal of her in real life.

### The Story:

Before meeting Tammy for the first time, I had wondered whether she was easy going, feisty, domineering or how she would actually be. She is an absolute pussycat, with a lovely personality.

Her trick with a mint is a first for me. I managed to press the right buttons, and the result will remain a secret between us.

Had nice time, thank you for having me, and thank you for the party bag too.
