The Story:

Foxy was great fun she obviosly enjoys her job and soon had me going, almost noting that was not allowed indeed encouraged to do things other girls say no to. Sex in various positions and while in reverse cowgirl a big whoop of glee when I called a halt for a minute as she said she knew I would have to stop her. Full of life all through the time and was just finishing when the five minute knock on the door came. It was halfway through that I suddenly realised that I had not paid up front as seems normal but didn't seem to worry Foxy. Don't expect a quiet session with Foxy but enjoy while you can.

Thanks again Foxy.

Sorry this report is late but work and private access to computer held it up
