The Premises:

House in Grangetown in Cardiff. Safe enough. Waiting in front room with Asian guy in full muslim regalia while Bella return from an outcall and arrived 15 min late

The Lady:

Curvy average looking woman certainly didn't look like the website where a goddess is on display

The Story:

She sucked the old boy all bagged up and I let her give me a wank. couldn't be bothered as this was not the girl in the photos. However her little blonde czech friend who I waited with before Bella arrived was a young beautiful babe. Don't know her name but I think it may be Sandra
