Clean flat near the centre of Cardiff.

Discreet, private entrance - perfectly safe

The Lady:

Roxanne is quite tall with a slim, elegant figure. Almost Italian looking in some ways, with black, wavy/curly hair, and bright, piercing eyes. Her skin tone is pale and creamy rather than olive (- more Central European than Med), and she really knows how to look after her skin, too, - it's silky smooth!

The Story:

No details - but certainly no complaints!

'Sensitive Roxanne' is sensitive in that she is aware of people's feelings rather than being 'shy' or 'touchy'. Very friendly, lively, with a good sense of humour - easy to relate to and enjoyable from start to finish.

A beautiful, intelligent Polish lady with a very professional attitude. Roxanne really gives the impression that you are someone special and that she genuinely wants to please you - a refreshing change from some of the more 'mechanical' girls.

This visit was something else. We seemed to hit it off together and everything was just about as good as it could have been. By the end I was certainly wishing that I was 20 years younger! Time was never an issue, which made this even better vfm.

I'm sure I will be back!
