### The Premises:

Terraced House in a cul-de-sac near Harrow-on-the-Hill station. Parking in the nearby shopping centre. Room was a bit dark but with a good double bed, a cooling fan and fit for purpose.

### The Lady:

Black BBW with the most amazing butt! As manwhore says in his FR it literally juts out like a shelf. Pleasant personality if a little on the dominant side - she very much controls the encounter. We used a tightly shuttered bedroom at the rear and side of the house. It was very gloomy and took awhile for my eyesight to adjust after the bright sunshine I had just come from.

### The Story:

Very much controlled by Maria. I paid her the money and undressed whilst she retired back downstairs and then returned to the room. She undressed her nether regions to reveal her awesome posterior, yes it is incredible both in shape and the way it wobbled and gyrated about. However she steadfastly refused to remove her top, just pulling her top and bra up to reveal her breasts which were nothing like as impressive as her backside.

She kept demanding I wank myself despite me telling her I was not in to wanking! She then spat on my cock and started wanking it herself. We continued with various other nefarious activities until she invited/demanded I take her in doggy. Despite the size of her posterior I was surprised to be able to enter her and get reasonable penetration between and through those mighty cheeks.

The amazing thing about this position was with Maria, instead of holding on to her lower waist and sides of her bottom, I was holding on to the top at the back! With the use of a couple of cushions to kneel on to optimise our position on the bed, I pumped away to a reasonably satisfying climax

Despite her rather dominant character I will recommend her largely because of her amazing physical attributes. I may also return as she has offered me a MMF threesome with one of her regular punters.
