The Premises:

Very nice apartment. Discreet location. Private parking. 2nd time here because everything feels right.

The Lady:

Stunning. Slim. Leggy. Amazing boobs. More than a hand full. Lovely smile. Great to talk to. Overall the best that's out there at the minute.

The Story:

I thought my 1st time with Hannah was good but this was even better. Welcomed with a passionate kiss once inside her apartment. Sorted out payment then moved to the bedroom. She removed her sexy outfit to reveal that amazing body again. We lay together kissing as if she was my girlfriend. You actually forgot with hannah that you paid her. She then asked if I was going to lick her because she enjoyed it last time. After that she sucked me (without but not to completion) then put a condom on me and she rode me to heaven. Amazing.
