### The Premises:

A perfectly acceptable house about a mile south of central Birmingham. The area felt safe. Inside she is redecorating. The bedroom was fine for what we needed to do.

### The Lady:

Jez is a very slim mature lady, long strawberry blonde hair, pale skin with small breasts. I found her quite attractive, and she was very friendly.

### The Story:

There was lots of good communication by text prior to our meeting, and I had been attracted to Jez by her pictures on her web profile, and the fact she likes OWO and facials. When I arrived I needed a shower. Unfortunately the shower was somewhat inadequate so instead Jez very sweetly washed me down with soap and water paying attention to my cock and balls so by the time that was over I was already well up for action.

We started with her on her knees giving me some very good head, eventually we moved onto the bed and she then continued to suck me while she was lying down playing with herself. She also provided some very nice ball sucking and wanking. A bit of help from my fingers revealed that she was getting into it herself. She then sat on my face and generally pleased herself, until we both felt it time to put the condom on. Sex in mish and with her on top was very pleasant, and as I neared my time I asked to cum over her face which she was happy to take.

She said business had been slow, and if this encounter is anything to go by then I'm very surprised that you guys in Birmingham aren't keeping her more busy. She may not be the youngest (she must be at least in her mid 40's) or most glamorous escort I have ever been with but give me a lady who delivers what she promises with enthusiasm (and a very sweet nature) any day over some of the younger girls who don't offer the advertised services.

This was a good value for money meeting. My very rare appearances in the area mean I almost certainly won't be returning in the near future, but I certainly recommend Jez.
