### The Premises:

Modern apartment block 5 mins walk from town centre. Perfectly safe and anonymous. Rang the bell for the room number given to me by the receptionist and was buzzed straight in. Room is not on the floor one would naturally deduce from the room number!

### The Lady:

Absolutely gorgeous English girl. Tall in heels and perhaps 5'9" without. Slim, early twenties, beautiful delicate pale skin and dark hair - not its natural colour but looks great on her. Perfect 34C breasts and shaven pussy. And most important of all - attitude. She just oozed enthusiasm. She clearly wanted to be there and wanted to enjoy herself as much as I did.

### The Story:

We kissed - long, full on, no-holds barred kisses. Her mouth and pussy tasted delicious. She teased me with probably the best uncovered BJ ever but slowed right down when I was getting close to the edge. She was very wet by this time and let me slide a finger gently right up inside her. She was tight on my finger so I could not wait to get the condom on and let JT have a go. Fucked in a few positions but could not hold back for long and finished in a perfect mish. Sadly she does not do CIM, but what she does do she does so well I wonder why I mentioned it.

Treat her like an angel guys - Woking has a real gem here.

I left with a smile which lasted for the rest of the week.
