The Premises:

Place was ok but crowded at first. Thin door meant you could hear couple next door when I first went in, luckily their session was over, so it didn't affect experience. There was no disturbances after that, complete silence.

The Lady:

She was my perfect type. I was very surprised because I thought I would someone say not as nice as photos. She was so beautiful, young, fresh, nice personality. I always had this fantasy of meeting a girl with pretty puffy-nipples breasts and she was the one! She also had a beautiful face, soft lips, adorable smile. Lovely bum. Perfect really 11/10.

The Story:

I loved the experienced. I haven't seen a working girl for a very long time. She made me feel at ease. She was all happy and girlie like, felt like meeting someone I haven't seen in a long time. Please treat her nicely, she is an angel in every single way. I truly plan to see her again when/if the opportunity arises. Thank you Angelina for your time, please don't ever change your sweet ways - you are pretty on the inside as the outside, a precious gem, delightful, a star xx
